

Talking Points for Pastors

It's easy to share the "Yes on Prop 102" message with your congregation. Unlike other political issues of the day, Prop 102 is simple, clear, and easy to understand. Marriage began in the heart of God, and He designed it perfectly...for one man and one woman. Prop 102 secures that definition of marriage in our state constitution, so that the definition will not be vulnerable to redefinition by judges or politicians.

Here are some recommended "talking points" you can use when explaining Prop 102:

- Prop 102 is 20 simple and clear words that define marriage as the union of one man and one woman.
- The best way to know what Prop 102 does is to simply read the language:
"Only a union of one man and one woman shall be valid or recognized as a marriage in this state."
- Prop 102's concise language secures marriage for future generations.

Remember, a large and diverse majority of Arizonans support marriage being defined as the union of one man and one woman. Prop 102 confirms what they already know and believe. One Man. One Woman. That's Marriage.

After all, timeless truths don't require endless explanation.
